The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Alma Real and Ocampo Drives form a three-way intersection in which Ocampo meets Alma Real at an awkward angle just as Alma Real begins to curve south. These streets are heavily used by area residents and parking equipment in various areas results in decreased visibility and an unsafe situation. To mitigate safety concerns and balance filming use with neighborhood general welfare, the following conditions have been crafted and are a part of the filming permit.

- **Equipment parking is prohibited in the following areas:**

    1. **From the driveway of 765 Alma Real Drive to the drive way of 809 Alma Real Drive on the west side of the street**

    2. **From the drive way of 790 Alma Real Drive to the drive way of 814 Alma Real Drive on the east side of the street, and Alma**

    3. **In front and side of 777 Ocampo Dr (including the E/S of Alma Real Dr, Ocampo Dr south 100 ft)**

- **At least one off-duty LAPD officer, certified to work motion picture locations, is required at this location.** The officer is responsible for enforcing all conditions of the permit and for controlling traffic to ensure the safety and welfare of area residents when entering or exiting driveways where visibility is impaired by production equipment. This responsibility is a proactive one and should not require residents to search out the officer for help. If there are other traffic control needs, additional officers must be employed.

NOTE: These Conditions are in addition to the Palisades Conditions.
